

Refer a friend and save!

How it works:

1. Give referral cards to friends & family.
2. Get a \$10 credit for each friend you sign up. Your friend gets a \$10 credit.
3. Referral card must be presented at time of new activation. The new customer must sign a 2-year agreement. Credit will be applied to your GVTC account once the referred customer keeps the service in good standing for 30 days. *Additional lines on family share plans do not qualify for credit.*
4. This referral may not be combined with any other promotion. Other restrictions may apply.
